产品介绍 Production Introduction

FD-600D 是一款专为中小型服装工厂精心打造的经济款自动化服装折叠和堆叠的包装设备。它凭借自身诸多卓越特性，正成为服装企业提升生产效率、降低成本的得力助手。

小巧身形省空间：设备体积小巧，占地少，轻松融入工厂有限空间。

高性价比：FD-600D 在价格上极具竞争力，性价比超高。

全流程自动化：自动完成折叠、堆叠，操作流畅精准。每小时包装 450-600 件，配 1 名人工辅助，日均可达 4500-6000 件，相比人工大幅提升效率、降低成本。

适用广泛：适配 T 恤、休闲衬衫、薄款夹克衫等。

FD-600D is an economical automatic clothing folding and stacking packaging equipment specially designed for small and medium-sized garment factories. With its many excellent features, it is becoming a powerful assistant for clothing enterprises to improve production efficiency and reduce costs.

Compact size saves space: The equipment is small in size and takes up little space, easily fitting into the limited space of the factory.

High cost performance: FD-600D is highly competitive in price and has super high cost performance.

Full-process automation: It automatically completes folding and stacking with smooth and precise operation. It can package 450-600 pieces per hour, with 1 worker assisting, reaching 4500-6000 pieces per day. Compared with manual work, it greatly improves efficiency and reduces costs.

Wide applicability: It is suitable for T-shirts, casual shirts, thin jackets, etc.
